

ADDENDUM NO. 1

To the Plans and Specifications for the

TOWER ROAD BRIDGE AT ROCK CREEK PROJECT

Project No. 1801

For the Department of Public Works, Cowlitz County, Washington

Bid Opening Date: **March 9, 2026, at 1:30 p.m.** (unchanged)

THIS ADDENDUM IS HEREBY MADE A PART OF THE CONTRACT DOCUMENTS TO THE SAME EXTENT AS THOUGH IT WAS ORIGINALLY INCLUDED THEREIN.

SPECIAL PROVISIONS

1-03.2 Award of Contract

Section 1-03.2 is supplemented with the following:

(*****)

The successful bidder shall provide all shop drawings and submittals for the precast concrete girders within 14 calendar days after the Contract is awarded. Bidders should be aware that the girders for this project have a negative precamber.

1-03.3 Execution of Contract

Delete the second sentence of the fourth paragraph of Section 1-03.3 which begins "Until the Contracting Agency executes...", and replace with the following:

(*****)

With the exception of ordering shop drawings and submittals for the precast concrete girders, the Contractor shall bear all risks for Work begun outside such areas and for all materials ordered before the Contract is executed by the Contracting Agency. In the event that the Contract does not become executed, the Contracting Agency shall reimburse the Contractor for the costs of preparation of the shop drawings and submittals for the precast concrete girders.

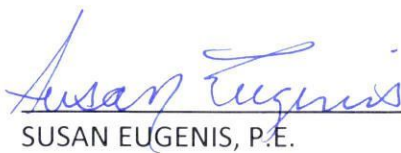

1-07.17 Utilities and Similar Facilities

Section 1-07.17 as amended by the Special Provisions is supplemented with the following:

The existing utilities will remain until the bridge construction has been completed sufficiently to allow the installation of utilities on the bridge. Cowlitz County PUD and Lumen Technology will deliver conduits to the site at a time coordinated with the Contractor. The Contractor shall install the conduits, including attachment to the bridge. Cowlitz County PUD and Lumen Technology will install their utilities within the installed conduits, and remove their existing utilities designated for removal. The Contractor shall protect existing utilities until they are removed and schedule construction for this project accordingly. All costs incurred by the Contractor for installing conduits for the utility companies will be paid under the bid item Miscellaneous Construction.

Acknowledgment of this addendum is required under ADDENDA on Page 11 of the Contract Documents.

ISSUED THIS 19TH DAY OF FEBRUARY, 2026.

SUSAN EUGENIS, P.E.
County Engineer
