

## **Eastrail to NE Spring Boulevard Trail Link**

### **Bid Number 26012**

#### **Questions and Answers 01**

4/24/2026

**Q1:** Bid items #92 & 93. I see in the drawing the proposed fence line, but I do not see the location of the gates listed on page 103 of the specifications. 14' dbl swing, 20' dbl swing, 6' single swing. Are these gates included in the project to bid?

**A1:** The items for bid are included in the Proposal and are as shown on the Plans. The Specifications list potential bid items regardless of their use in the project (in this case it is a Special Provision that provides for payment of all types of coated fence items). There are no gates included in the project Proposal.
