Tacoma Power Generation

ADDENDUM NO. 1

DATE: 08/24/2026

REVISIONS TO:

Requests for Bids Specification No. PG26-0073F

Cushman No. 1 Dam Right & Left-Wing Wall Anchoring

NOTICE TO ALL BIDDERS:

This addendum is issued to clarify, revise, add to or delete from, the original specification documents for the above project. This addendum, as integrated with the original specification documents, shall form the specification documents. The noted revisions shall take precedence over previously issued specification documents and shall become part of this contract.

REVISIONS TO THE SUBMITTAL DEADLINE:

The submittal deadline has been changed to 11:00 a.m., Pacific Time, Tuesday, October 6th, 2026.

REVISIONS TO THE GENERAL INFORMATION AND REQUIREMENTS:

The Calendar of events has changed. Please see the updated table below:

Question Deadline:	9/24/2026
City response to Questions:	9/29/2026
Submittal Due Date:	10/6/2026
Anticipated Award Date, on or about:	October 2026
Public Utility Board/City Council Approval, on or about:	November 2026

REVISIONS TO THE SPECIAL PROVISIONS:

The language has been revised in Section 01010 – Summary of Work, 1.1 Project Description, as follows:

A. CONCEPT OF SCHEDULE

Notice to proceed is estimated for December 2026. Fish collection will resume in Lake Cushman on March 15, 2027 and end on approximately July 15, 2027, and will restrict operations in the lake and on the dam deck, primarily on the left wingwall. This is described further in Section 01040 - 1.5 Coordination With Others.

The language has been revised in Section 01010 – Summary of Work, 1.4 Commencement, Prosecution and Completion, as follows:

City of Tacoma

The contractor will be required to complete the contract documents and to provide surety and payment bonds within ten (10) calendar days after the award of the contract. The contractor shall begin the work to be performed in the contract within ten (10) calendar days after the date of notification to commence work. Notification to commence work may either be by letter or, if no letter is issued, by agreement at the preconstruction conference (or if no letter is issued, by the date the contract is executed by the City).

The contractor shall be required to complete all work by December 31, 2027. If the contractor fails to complete all work by December 31, 2027, the City will assess liquidated damages in accordance with Section 3.14 of the General Provisions.

The contractor shall begin purchasing material required for all work to be performed in the contract within ten (10) calendar days after the date of notification to commence work. All materials necessary to complete the job shall be staged and inspected by the engineer before any work, including demolition, will be started.

NOTICE OF ADDITIONAL ADDENDUM

The City anticipates issuing an additional addendum on or about September 4, 2026. Prospective bidders are responsible for reviewing all addenda issued for this solicitation.

NOTE: Acknowledge receipt of this addendum by initialing the corresponding space as indicated on the signature page. Vendors who have already submitted their bid/proposal may contact the Purchasing Division at 253-502-8468 and request return of their bid/proposal for acknowledgment and re-submittal. Or, a letter acknowledging receipt of this addendum may be submitted in an envelope marked Request for Bids Specification No. PG26-0073F Addendum No. 1. The City reserves the right to reject any and all bids, including, in certain circumstances, for failure to appropriately acknowledge this addendum.

cc: Kevin Smith, Power Systems Engineer PE
