ADDENDUM 3 – 11/04/26

1. In Section 35 51 13, 4.1 C - the environmental loads conflict with the Design Criteria as presented on page G1.02 of the drawings. Please advise.

   The Design Criteria shall be per G1.02 of the drawings.

2. In Section 35 51 13, 2.4 - does the grating need to meet ADA requirements?

   Yes, the grating needs to meet ADA.

3. Please confirm gangway decking does not need to meet ADA requirements as shown in S2.01.

   Yes, the grating needs to meet ADA.

4. Are there any Buy America or Buy American requirements?

   No, there are no Buy America requirements for this project.

5. Please consider extending the bid date 2 weeks to November 23rd.

   A submittal date extension will not be granted.

6. Please clarify your answer to question 1 in Addendum 2. Will a lower value number with an extension to completion be considered as the winning bid? Or, will a higher value number falling within the publicized completion date be considered the winning bid? Please provide an evaluation matrix to assist contractors in understanding the criteria.

Primary preference will be given to bids that have a completion date in alignment with the publicized construction timeline, secondary preference will be given to bids with a lower value but alternate timeline if sound reasoning is provided. We are not precluding bidders from submitting bids with an alternate schedule.
