Looking into the Jones Rd MP 1.71 Culvert Replacement project that is up for bid on December 3, 2026. I'm reaching out for clarification regarding the bid bond, as I'm not seeing one being provided just the contract bond that's in Appendix E. Will the County be addressing this matter in an addendum to provide the correct bid bond form?

Lewis County does not have a required Bid Bond Form. Your bonding agency may recommend a format. The bid bond must be in the sum of five percent of the bid amount and be notarized.
